IPA CONVEX 2026 OVERVIEW

Organized by: IPA

Co-organized by: DYANDRA PROMOSINDO

IPA Convex 2026 was held from 20-22 May 2026 at the Indonesia Convention Exhibition (ICE) BSD City, reaffirming its position as the region's leading platform for the energy industry.

In Its 50th year, IPA Convex 2026 continued to play a pivotal role in uniting professionals, policymakers, investors, and students to address key issues, share knowledge, and explore innovations shaping the energy landscape. The event fostered an engaging atmosphere for high-level discussions, collaboration, and strategic business networking celebrating five decades of partnership that have shaped Indonesia's energy sector and laying the foundation for the next era of growth.

EVENT STATISTICS

37.323	233	3.326	2.550	326
Visitors	Exhibitors	Delegates	Students	Journalists

Delegate Countries	Technical Presentations	Convention Sessions	Sponsors	Exhibition Area

ATTENDEE GEOGRAPHICAL BREAKDOWN

ASEAN	NON-ASEAN ASIA	EUROPE
93.72%	3.18%	1.35%

OCEANIA	NORTH AMERICA
1.15%	0.61%

VISITOR FEEDBACK

98%	Plan to return to IPA Convex 2027
99%	Showed a positive recommendation tendency to industry peers and colleagues
99%	Rated their overall experience as highly satisfying
97%	Found business or investment opportunities during the event
100%	Plan to follow up on business leads obtained at the exhibition

Feedback was collected through an independent third-party survey.

"The Government is committed to creating a more attractive investment climate by providing greater regulatory certainty, fiscal flexibility, and faster licensing processes to support the growth of Indonesia's upstream oil and gas sector."

Bahlil Lahadalia, Minister of Energy and Mineral Resources

"IPA is committed to working alongside the Government of Indonesia as a strategic partner. We are ready to invest, collaborate, and help deliver secure, affordable, and lower-carbon energy for the nation's future."

Kathy Wu, IPA President

THE INAUGURATION OF IPA CONVEX 2026

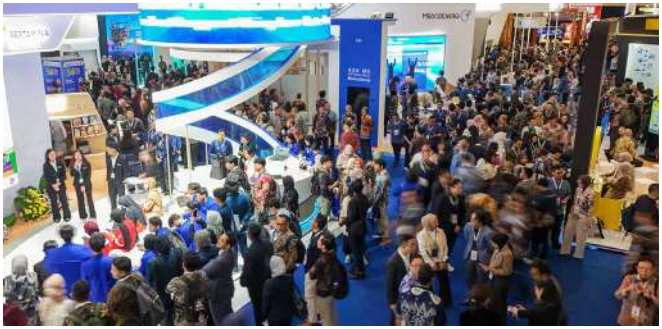

IPA Convex 2026 was officially inaugurated by **Bahlil Lahadalia, Minister of Energy and Mineral Resources**, who reaffirmed the Government's commitment to creating a more attractive investment climate through greater regulatory certainty, fiscal flexibility, and streamlined licensing processes to accelerate the growth of Indonesia's upstream oil and gas sector. The opening ceremony was witnessed by **Maman Abdurrahman, Minister of Micro, Small, and Medium Enterprises; H.E. Faisal Abdullah Al Amoudi, Ambassador of the Kingdom of Saudi Arabia to Indonesia; Hashim Djojohadikusumo, Chairman of the IPA Supervisory Board; Kathy Wu, President of IPA; Purnomo Yusgiantoro, Special Advisor to the President for Energy; and Djoko Siswanto, Chairman of SKK Migas.**

The inauguration began with welcoming remarks from **IPA President Kathy Wu**, who emphasized the importance of strong collaboration between the Government and industry to unlock Indonesia's energy potential and support the country's long-term energy security. A key highlight of the ceremony was the signing of **eight new oil and gas working areas and 3 commercial agreements**, demonstrating strong investment momentum and reinforcing international confidence in Indonesia's upstream energy sector.

EXHIBITION OVERVIEW

IPA Convex 2026 Exhibition brought together leading energy companies, technology providers, and industry stakeholders to showcase innovative solutions and the latest advancements in the upstream oil and gas sector. As a premier business platform, it fostered collaboration, investment opportunities, and strategic partnerships while strengthening Indonesia's position as a key destination for energy development.

EXHIBITOR FEEDBACK

- **99%** Attendees met their expectations and led to new business prospects
- **100%** Felt the event positively impacted their business objectives
- **100%** Agreed that IPA Convex is an excellent meeting platform for the oil and gas industry

Feedback was collected through an independent third-party survey.

IPA BOARD TOUR TO EXHIBITION

The IPA Board Tour officially marked the opening of the IPA Convex 2026 Exhibition on the first day of the event. Commencing from the exhibition hall entrance, the tour was opened with welcoming remarks from the Chairperson of IPA Convex 2026 and attended by the IPA Board of Directors, who visited exhibitor booths and engaged with participating companies.

EXHIBITORS COCKTAIL

The Exhibitors' Cocktail offered a valuable networking opportunity for exhibitors, sponsors, and industry stakeholders to foster new connections and strengthen existing partnerships. Hosted on the second day of IPA Convex 2026, the event featured hospitality at exhibitor booths and live entertainment, enhancing engagement throughout the exhibition.

IPA'S TALK CORNER

IPA's Talk Corner served as an interactive exhibition stage where industry experts, exhibitors, and partners shared insights on emerging technologies, energy trends, and innovative solutions. The sessions enhanced visitor engagement and promoted knowledge exchange, making it one of the exhibition's key attractions during IPA Convex 2026.

SKK MIGAS ONSITE SERVICES

SKK Migas Onsite Services offered exhibitors and visitors direct access to SKK Migas representatives for administrative support, consultation, and industry-related services. The initiative improved stakeholder engagement and reinforced IPA Convex 2026 as a platform that supports collaboration and ease of doing business in Indonesia's upstream oil and gas sector.

CONFERENCE OVERVIEW

Under the theme "50 Years of Energy Partnership: Shaping the Next Era for Advancing Growth," the IPA Convex 2026 Conference brought together government leaders, industry experts, investors, and global energy stakeholders to discuss energy security, investment, innovation, and collaboration in shaping Indonesia's energy future. This vision is supported through a comprehensive conference program, including :

1. PLENARY SESSIONS
2. CONCURRENT SESSIONS
3. INNOVATIVE ENERGY SOLUTIONS

DELEGATE FEEDBACK

100%
Conference topics were relevant to current industry trends

100%
Speakers were relevant and aligned with the session topics

100%
OVERALL SATISFACTION

Feedback was collected through an independent third-party survey.

PLENARY SESSIONS

Aligned with the theme ***"50 Years of Energy Partnership: Shaping the Next Era for Advancing Growth,"*** the IPA Convex 2026 Plenary Sessions served as a strategic platform for government, industry, and global leaders to discuss policies, investment, and innovation driving Indonesia's energy future.

TOPICS:

1. Global Executive Talk: The End of Easy Energy: The New Reality of Oil and Gas
2. Plenary Session: Path to Energy Resilience and the Role of Partnership
3. Special Session: Refleksi Strategis Kebijakan Energi untuk Masa Depan Indonesia
4. Special Session: Global Challenges: NOCs at the Heart of Energy Resilience
5. Plenary Session: Energy Transition at the Crossroads: Urgency, Reality and the Road Ahead
6. Plenary Session: Indonesia in Regional Energy Investment: Where Will the Next Dollar Go?
7. SKK MIGAS Session: Accelerating Indonesia's Upstream Growth: Delivering the Triple 100 Target
8. Plenary Session: Result of IPA and S&P Study: Enhancing Oil and Gas Investment Climate in Indonesia: Case Study Insights

CONCURRENT SESSIONS

The IPA Convex 2026 Concurrent Sessions provided a platform for industry leaders, government officials, and technical experts to discuss key topics, including upstream investment, energy security, innovation, and the energy transition. Through expert-led discussions and knowledge sharing, the sessions fostered collaboration and generated insights to support the future growth of Indonesia's energy sector.

TOPICS:

1. Concurrent Session 1: Technology-Driven Innovation for Advancing Project Development
2. Concurrent Session 2: Policy Simplification and Ease of Doing Business: Progress, Challenges and the Road Ahead
3. Concurrent Session 3: AI in Upstream: The End-to-End Journey from Experimentation to Value

INNOVATIVE ENERGY SOLUTIONS

The Innovative Energy Solutions (IES) Program, themed ***"Energizing the Future with Technology Solutions,"*** highlighted breakthrough technologies and innovative solutions transforming the energy sector. Bringing together technology providers and industry leaders, the program fostered knowledge sharing and collaboration to accelerate digital transformation, operational excellence, and sustainable energy development

TOPICS:

1. Operator Session 1: Pertamina Hulu Energi & Halliburton Presentation: From Discovery to Value: Strategy to Accelerate Undeveloped Field Potential
2. Independent Session 1: Pertamina Drilling: End-to-End Integration in Well Construction and Intervention for Performance Optimization
3. Independent Session 2: Siemens Energy: Unlocking Operational Excellence: Optimizing LNG Plant Through Integrated Solutions
4. Independent Session 3: SNF : Polymer Flooding and Chemical EOR: Field-Proven Solutions and Emerging Innovations
5. Operator Session 2: bp Indonesia Presentation: Unlocking Indonesia's Gas Potential - Faster, Lower Emission, and More Cost Effective Development
1. Independent Session 4: Baker Hughes: Optimizing Energy Assets: Digital Solutions for Sustainable and Efficient Operations and Production
2. Independent Session 5: Henkel: Invisible Decarbonization: Scalable, Low-Carbon Solutions for Asset Integrity and Energy Efficiency
3. Group Session 1: Thrust Belt Imaging Presentation: Unlocking Indonesia's Onshore Potential with Land-Focused FWI
4. Group Session 1: PT Foresight Drilling Indonesia Presentation: Transforming Ingenuity into Efficiency

TECHNICAL PROGRAMS

The IPA Convex 2026 Technical Programs served as a platform for geoscientists, engineers, researchers, academics, regulators, and industry leaders to exchange technical knowledge, innovative solutions, and best practices shaping the future of Indonesia's energy sector.

Curated by the Technical Program Committee, the sessions explored key topics including exploration, drilling, reservoir management, digital transformation, CCUS, AI, emissions management, facilities optimization, and sustainable operations, showcasing innovation across the upstream oil and gas value chain.

ROAD TO IPA CONVEX 2026: FUN RUN & WALK

Organized by: IPA

Co-organized by: DYANDRA PROMOSINDO

The Road to IPA Convex 2026: Run & Walk was part of the IPA Convex journey celebrating its **50th edition**, bringing the energy community together ahead of the main event. Held during **Car Free Day** on **Sunday, 26 April 2026**, the event attracted **300 invited participants** from government institutions, energy companies, media partners, and IPA partners.

Featuring **10K Run and 7K Run & Walk** categories, the event promoted a healthy lifestyle while fostering networking, collaboration, and stronger relationships in a relaxed outdoor setting. By invitation only, the event provided an exclusive opportunity for stakeholders to connect and build momentum toward **IPA Convex 2026.**

SPONSORED BY: ExxonMobil

The Youth @ IPA Convex Program strengthened the partnership between the Indonesian Petroleum Association (IPA) and Indonesia's academic community in shaping the next generation of energy leaders. With 22 universities across Indonesia joining as official University Partners, students and faculty gained direct access to key event sessions, networking opportunities with industry professionals, and platforms to showcase their research and ideas to a national audience.

Pre - event activities:
- IPA Goes to Campus
- Student Debate Competition: Preliminary Round

Showdays Activities:
- Student Visit
- Student Showcase
- Student Debate Competition: Final Round
- Students Meet the IPA Board
- Students Meet the Global Executives
- Students Meet the Young Professional

THE ENERGY NIGHT

Organized by: IPA

Co-organized by: DYANDRA PROMOSINDO

The Energy Night 2026: Igniting Tomorrow – 50 Years of Innovation and Partnership celebrated the 50th edition of IPA Convex by bringing together government leaders, industry executives, exhibitors, delegates, and strategic partners. More than a gala dinner, the event strengthened relationships, celebrated industry milestones, and reinforced collaboration to shape the future of Indonesia's energy industry.

CLOSING CEREMONY

The Closing Ceremony officially concluded IPA Convex 2026, celebrating the success of the three-day event with the presentation of the Technical Program Awards, Best Booth Awards, and Journalist Competition Awards. The ceremony included closing remarks from the Chairperson of IPA Convex 2026 and the President of IPA, before concluding with the official closing procession, marking the successful completion of the 50th edition of IPA Convex.

MEDIA ACTIVITIES

MEDIA BRIEFING

Media Briefing was held to provide updates on the upcoming event while highlighting the strategic role of Indonesia's upstream oil and gas sector in supporting national energy security and economic growth. The session brought together key industry representatives and journalists from leading national media, fostering dialogue and strengthening media engagement ahead of IPA Convex 2026.

MEDIA VISIT

As part of the Road to IPA Convex 2026 campaign, the organizing committee conducted media visits to leading national and international media organizations, including KG Media and Reuters. These visits aimed to strengthen media partnerships, expand event visibility, and enhance coverage of IPA Convex 2026 while promoting the strategic importance of Indonesia's upstream oil and gas industry.

MEDIA TRAINING

Media Training session equipped journalists from leading national media with deeper insights into the upstream oil and gas industry's contribution to regional economic development, strengthening industry knowledge and media engagement ahead of IPA Convex 2026.

MEDIA GATHERING

Media Gathering brought together journalists from leading national media to strengthen partnerships, share updates on IPA Convex 2026, and foster closer collaboration in supporting the promotion of the event.

PRESS CONFERENCE

IPA Convex 2026 held a series of press conferences before and during the event to share key updates, industry developments, and event highlights. The pre-event press conference generated strong media awareness with participation from 58 journalists representing 51 media outlets, while the showday press conference provided the latest event announcements and reinforced IPA Convex position as Indonesia's leading upstream oil and gas platform.
