FROM THE CHAIRPERSON

The 51st IPA CONVENTION & EXHIBITION 26-28 MAY 2027 ICE BSD CITY

Organized by: IPA

Co-organized by: DYANDRA PROMOSINDO

As the global energy landscape continues to evolve, Indonesia faces both new challenges and new opportunities. Strengthening our competitiveness is essential, not only to secure energy for the future, but also to attract investment, accelerate innovation, and unlock long-term economic growth.

IPA Convex 2027 brings together government leaders, industry players, investors, innovators, and energy stakeholders to exchange ideas, forge partnerships, and explore practical solutions for a more competitive and resilient energy sector.

We invite you to be part of IPA Convex 2027 and help shape the partnerships, ideas, and actions that will unlock Indonesia's long-term growth and strengthen our position in the changing global energy landscape.

Ali Nasir
Chairperson of IPA Convex 2027

UNLOCKING LONG-TERM GROWTH: STRENGTHENING INDONESIA'S COMPETITIVENESS IN A CHANGING GLOBAL ENERGY LANDSCAPE

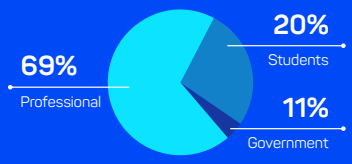

ATTENDEE OVERVIEW

IPA Convex connects industry leaders, innovators, and decision-makers through a dynamic platform for networking, knowledge sharing, and business growth. Whether attending or exhibiting, participants gain valuable opportunities to explore innovations, build partnerships, and drive the future of the energy industry.

PLENARY SESSION

KEY DISCUSSION AREAS

- Energy Security & Resilience
- Policy & Regulatory Direction
- Upstream Investment Competitiveness
- Exploration & Production Growth
- Pragmatic Energy Transition
- Strategic Industry Collaboration

The 51st IPA Convex Plenary Sessions will convene government leaders, global energy executives, investors, and industry experts to discuss the priorities shaping Indonesia's upstream oil and gas sector.

Through strategic conversations on energy security, investment, policy, exploration and production, gas development, technology, and lower-carbon solutions, the sessions will connect global perspectives with Indonesia's energy ambitions—helping shape the decisions, partnerships, and investments required for a secure, resilient, and competitive energy future.

CONCURRENT SESSION

Through focused, expert-led discussions, the Concurrent Sessions examine specific challenges and opportunities influencing upstream energy performance. Participants will discover practical perspectives on emerging technologies, project execution, regulatory efficiency, artificial intelligence, digital capability, and collaboration, turning industry experience into actionable solutions and long-term value.

INNOVATIVE ENERGY SOLUTIONS

Innovative Energy Solutions is where new ideas, proven expertise, and industry challenges come together. Featuring solution-focused presentations and collaborative knowledge exchange, the programme will highlight innovations capable of transforming operations, unlocking greater value, and supporting the future competitiveness of Indonesia's energy industry.

TECHNICAL PROGRAM

The 51st IPA Convex Technical Program connects industry professionals, researchers, academics, and emerging talent through Oral Presentations, Poster Presentations, Petroleum Workshop, and Special Session.

WHAT YOU WILL DISCOVER

- Emerging Exploration Technologies
- Reservoir & Production Optimisation
- Advanced Drilling Solutions
- Data & Digitalisation
- Lower-Emission Operations
- Research & Industry Collaboration

YOUTH @IPA CONVEX

The 51st IPA CONVENTION & EXHIBITION 26-28 MAY 2027 ICE BSD CITY

Organized by: IPA

Co-organized by: DYANDRA PROMOSINDO

Youth @IPA Convex bridges academic learning and professional experience by connecting students with industry leaders, experts, and young professionals. Through learning activities, competitions, showcases, site engagement, and high-level conversations, participants gain a deeper understanding of the energy sector while building the confidence, knowledge, and networks needed to become part of its future.

PROGRAM HIGHLIGHTS

- IPA Goes to Campus
- Student Debate Competition
- Student Visit
- Student Showcase
- Students Meet The Executives
- Students Meet the IPA Board
- Students Meet the Young Professionals
- HR Talkshow

IPA Innovation Theater

Where Energy Innovation Takes the Stage
A high-impact presentation & demonstration platform at IPA Convex — connecting technology, business leaders and the future of Indonesia's energy industry.

WHY THE INNOVATION THEATER?

- **SHOWCASE**
  Launch new technologies, products, solutions and digital capabilities.
- **DEMONSTRATE**
  Move beyond the exhibition booth with live demos, simulations and technical presentations.
- **CONNECT**
  Engage directly with operators, government, investors, EPCs, technology buyers and energy professionals.
- **LEAD**
  Position your company as a thought leader shaping the future of oil & gas and energy.

AI & Digitalization Zone

Discover AI and Digitalization solutions transforming how energy is produced, managed, and delivered. Connect with innovators, experience practical technologies, and explore new possibilities for more intelligent, efficient, and sustainable operations.

- Showcase innovations in **Artificial Intelligence** and **Digitalization**
- Highlights technology and sustainability as drivers of the future energy landscape
- Features solutions from AI applications, clean energy breakthroughs, and digital efficiency tools
- Serves as a collaborative space for stakeholders to share ideas and drive sustainable growth

IPA CONVEX 2027
ADDITIONAL FACILITIES
